Dear Carl,

On behalf of Educated We Stand, I am honored to extend our enthusiastic endorsement to your campaign for Volusia County School Board, District 4. Our organization firmly believes that the strength of our community is inherently linked to the quality of our public education system, and we are confident that you will work tirelessly to ensure every student receives an educational environment they deserve.

Educated We Stand is committed to promoting candidates and initiatives that support equitable and high-quality education for all students. We are proud to support candidates who demonstrate a deep understanding of the challenges and opportunities facing our schools, and who are prepared to lead with integrity, vision, and a steadfast commitment to our children's future.

We firmly believe that your commitment to public education aligns with the mission of Educated We Stand, and we are confident that you will champion the interests of our students, educators, and community at large.

We urge all members of the Volusia community to support Carl Persis for Volusia County School Board on August 20th. Together, we can build a brighter future for our children and ensure that our public schools remain a cornerstone of opportunity and growth.

Sincerely,

Jennifer Jenkins
